# A PLAGUE TALE

## INNOCENCE

Follow the grim tale of young Amicia and her little brother Hugo, in a heartrending journey through the darkest hours of history.

Hunted by Inquisition soldiers and surrounded by unstoppable swarms of rats, Amicia and Hugo will come to know and trust each other. As they struggle to survive against overwhelming odds, they will fight to find purpose in this brutal, unforgiving world.

1349. The plague ravages the Kingdom of France. Amicia and her younger brother Hugo are pursued by the Inquisition through villages devastated by the disease. On their way, they will have to join forces with other children, and evade swarms of rats using fire and light. Aided only by the link that binds their fates together, they will face untold horrors in their struggle to survive. As their adventure begins... the time of innocence ends.

# GREED FALL

**GreedFall is the latest RPG from Spiders**, currently in development for **PlayStation 4, Xbox One and PC**. GreedFall aims for a very unique visual identity, inspired by Baroque art from 17<sup>th</sup> Century Europe, depicting grandiose sceneries in muted warm colors and dark undertones.

Explore a fresh new world as you set foot - alongside many other settlers and mercenaries - on a remote island seeping with magic, rumored to be filled with riches and lost secrets. A grand journey filled with mystery follows, as you find yourself in the middle of ever-increasing tensions between the invading settlers and the locals, protected by supernatural beings, manifestation of the island's earthly magic.

With a **strong focus on its core RPG identity**, GreedFall follows Spiders' experience in building intricate worlds filled with mysteries to discover, weaving **deep character interactions**, and offering players **great freedom to achieve quests** and objectives in a multitude of different ways - through combat of course, but also through diplomacy, deception or stealth.

## #SURVIVE

The visceral and unforgiving combat of critically acclaimed hardcore action-RPG The Surge returns to PS4, Xbox One and PC in the highly anticipated sequel, coming 2019. Greatly expanding upon the unique formula of hardcore combat, character progression, limb-targeting system, and original loot mechanics, studio Deck13 sends us back to hell on Earth in a world bigger, weirder, and more daunting than ever.

In a bid to survive, explore the sprawling, devastated city of Jericho. Fight its numerous, ferocious threats in brutal, unforgiving combat, slashing and tearing the limbs off your opponents to steal valuable equipment that will make you stronger - strong enough to face the most fearsome, imposing foes lurking in the city. With an expanded arsenal of weapons, armors, abilities, implants, and drones to build your character, and a bigger, more varied and more ambitious world, The Surge 2 challenges you to survive and unravel its hidden secrets.

On the way to Jericho City, your plane is shot down by a mysterious storm and crash-lands in the outskirts. You wake up weeks later in a derelict detention facility inside the city. Armor-clad soldiers enforce Martial Law, robots are on a rampage, and a dark, expanding nanostorm looms over the cityscape...

# NECROMUNDA®

## UNDERHIVE WARS™

14

Necromunda: Underhive Wars is the first video game reimagining of Games Workshop's iconic tabletop game. With a unique setting and grounded perspective of the Warhammer 40,000 universe, it features a new take on the franchise and blends fast-paced tactical combat with RPG elements and deep unit customization, coming to PlayStation 4, Xbox One and PC.

The turn-based tactical gameplay pits you against rival gangs in brutal gunfights, taking place in huge, vertical environments. Necromunda is a planet covered in poisonous ash wastes, compelling its population to live in Hive Cities, massive man-made structures built up over thousands of years only to serve one purpose: provide to the Imperium. In the capital, Hive Primus, the rich and noble live above the clouds in the Spire while the poorest and worst-off live in a massive and forgotten subterranean depths known as the Underhive.

You will command one of Necromunda's iconic gangs, embracing anarchy, violence and death in an endless war for control to dominate this hellish place. Use raised walkways to push a high ground advantage, set traps for unwitting victims, and ambush your foes to force them into fierce melee engagements. With each battle won, your fighters can grow in power, earning advanced skills and equipment, but beware! Even a victory may result in casualties. Deaths and injuries are permanent, and you'll need to live with the consequences of every decision.

# INSURGENCY

## SANDSTORM

**Insurgency: Sandstorm is a team-based, tactical FPS based on lethal close quarters combat and objective-oriented multiplayer gameplay for PC and consoles.** Insurgency: Sandstorm is the sequel to the indie breakout FPS Insurgency, reborn for PC and for the first time on consoles - improved, expanded, and bigger in every way. Experience the intensity of modern combat where skill is rewarded, and teamwork wins the fight. Prepare for a hardcore depiction of combat with deadly ballistics, light attack vehicles, destructive artillery, and HDR audio putting the fear back into the genre.

**An intense atmosphere putting the terror into modern combat**  
Move with speed and caution as you push through the war-torn environments of a fictional contemporary conflict in the Middle East. Death comes fast, ammunition must be carefully managed, and the environment must be tactically navigated at every step toward victory.

**Insurgency: refined and expanded**

For the first time in an Insurgency game, customize your character to show your veterancy with diverse sets of clothing, uniforms, accessories, and character voices. Coordinate fire support with your

team, engage enemies with vehicle mounted machine guns, and go head to head in small scale high speed competitive matches. Wield new weapons and new upgrades to outmaneuver, outflank, and outsmart the enemy.

**War at its realest**

Continuing Insurgency's acclaim as the most atmospheric shooter, Sandstorm is built on Unreal 4 to bring its gritty close-quarters combat into a whole new era of realism. Skill is rewarded, and survival is paramount. Feel every bullet, and fear every impact.

# VAMPYR

## CURSED BE THE CHOICE...

Prowl the disease ridden streets in Vampyr - a **darkly atmospheric action-RPG** from the studio behind 'Remember Me' and 'Life is Strange', developed using **Unreal Engine 4**.

Set in early 20th-century Britain during a bout of the lethal Spanish flu, the streets of London are **crippled by disease**, violence and fear. In a completely disorganized and ghostly city, those who are either fools, desperate, or unlucky enough to walk the streets lay prey to Britain's most elusive predators: **the Vampires**.

Emerging from the chaos, a **tormented figure** awakes; as the player it is you who determines how to harness your new powers, by specializing in deadly, **versatile RPG skill-trees** that change the way you play. As a doctor recently turned into a Vampire, you try to understand your new affliction. Your quest of intuition, discoveries and struggles, will be filled with death and drama, while your attempt to stem the irrepressible thirst that constantly drives you to take human lives.

As you **cling to what remains of your humanity**, your decisions will ultimately shape the fate of your hero while searching for answers in the coughing, foggy aftermath of the Spanish Flu.

# CALL OF CTHULHU

Plunge into Cyanide Studio's Call of Cthulhu, the official adaptation of Chaosium's classic pen and paper RPG. Uncover the chilling mysteries of this RPG-investigation game, descending deep into a world of cosmic horrors, creeping madness and shrouded Old Gods within Lovecraft's iconic universe.

Private Investigator Edward Pierce is sent to investigate the tragic death of the Hawkins family in an imposing mansion on the isolated Darkwater Island, off the shores of Boston. Between unfriendly locals and dubious police reports, it becomes clear there's more to the case than meets the eye. Soon enough, Pierce is plunged into a terrifying world of conspiracies, cultists, and cosmic horrors.

Faced with terrors beyond human comprehension, you must delve deep into the secrets that lay beneath the surface of the Darkwater Island community. Speak with the island's inhabitants, overcome deadly horrors and discover cryptic clues, in a desperate attempt to expose the terrible truth at the heart of the Hawkins case.

Multiple paths lay ahead for you to choose from - your development of Pierce's skills and the relationships you have with other characters will directly impact how you proceed in your investigation. This is no easy task, as certain events may cause Pierce to develop mental traumas that impact his ability to cope, while the descent into the occult will cause his sanity to rapidly dwindle.

Your mind will suffer - balancing a razor-thin line between sanity and madness, your senses will be disrupted until he questions the reality of everything around you. Trust no one. Creeping shadows hide lurking figures... and all the while, the Great Dreamer prepares for his awakening.
