FOCUS HOME INTERACTIVE

SHARE BUY-BACK PROGRAMME

FOCUS HOME INTERACTIVE announces the implementation of its stock repurchase program.

At its meeting of 26 October 2018, the Management Board of FOCUS HOME INTERACTIVE, with the Supervisory Board's prior approval, and in accordance with the 9th resolution of the Combined General Meeting of Shareholders held on 27 September 2018, decided to authorise the Chairman of the Company's Management Board to implement a share buyback programme.

An investment services provider was given a mandate to manage the program for FOCUS HOME INTERACTIVE.

The purpose of this program is to enable the company to acquire its shares for the following :

1. implementation of stock option or subscription plans, bonus shares allocations and employee-shareholding transactions reserved for company savings scheme members, in accordance with applicable laws, or of share purchase plans for employees and/or corporate executive officers of the Company and any related companies;
2. the issuance of shares when the rights attached to marketable securities giving access to the Company's share capital are exercised;

3. their use in any transaction hedging the Company's commitments in respect of financial instruments, especially those related to movements in the Company's share price;
4. the holding of shares and their subsequent issue in payment or in exchange during any subsequent mergers, acquisitions, spin-offs or asset-for-share transactions;
5. the full or partial cancellation of shares by reducing equity capital (in order to optimise cash management, return on equity or earnings per share);
6. market-making activity in relation to a liquidity contract with an investment services provider, in accordance with the Code of Ethics recognised by the French Financial Market Authorities (AMF);
7. the implementation of any market practice which may be accepted by the AMF and more generally, to undertake any operation in compliance with statutory and practical requirements on the market.

The repurchase program will expire on March 26, 2020 and does not obligate the Company to acquire any particular amount of ordinary shares. It may be suspended or discontinued at any time at the Company's discretion.

This decision has no effect on execution of the liquidity contract signed by the company.

Details of the repurchase program and the text of the 9th resolution is available on the company's website <http://www.focus-home.com> in the "Investors/Documentation" section.

The present press release and the resolutions of the Combined General Meeting of Shareholders of September 27, 2018 are available on the Company's website: <http://www.focus-home.com>
