**FOCUS ENTERTAINMENT announces that
Atlas Fallen will finally release on August 10, 2023**

PARIS, France - March 28, 2023 - FOCUS ENTERTAINMENT's (FR0012419307 - ALFOC) goal has always been offering fresh and unique experiences to players around the world, thanks to video games crafted from innovative concepts, inventive gameplay, and original worlds.

With *Atlas Fallen* the talented studio Deck13 Interactive (a partner studio member of the Focus Group) shares the same goal and ambition of creating a memorable A-RPG experience in a unique setting, with exciting gameplay and fully playable co-op with a friend.

If both the early previews from critics, as well as the reception from players at PAX East were extremely positive, Focus and Deck13 decided to give the game some extra time, allowing the development teams to deliver the best possible version of *Atlas Fallen*, and the best experience for players. As a consequence, Focus Entertainment made the difficult decision to postpone the worldwide launch of *Atlas Fallen* to **August 10, 2023**, and thus maximize the potential of this fully owned new IP.

Today Focus Entertainment remains fully confident for the upcoming 2023/2024 financial year as it will be underpinned by ambitious launches, such as *Aliens: Dark Descent* developed by Tindalos Interactive, *Atlas Fallen* developed by Deck13 Interactive (a partner studio member of the Group), *Banishers: Ghost of New Eden*, a new franchise co-owned with DON'T NOD, *Warhammer 40,000: Space Marine 2* developed by Saber Interactive.
