DOTEMU, a subsidiary of PULLUP Entertainment, announces the release of “MARVEL Cosmic Invasion” in 2025

PARIS, FRANCE – March 27, 2025 – Today, Dotemu, a subsidiary of PULLUP Entertainment Group (FR0012419307 - ALPUL), Tribute Games, and MARVEL announced *MARVEL Cosmic Invasion*, an arcade-style beat ‘em up featuring a captivating roster of characters including Captain America, Wolverine, Spider-Man, Storm, Phyla-Vell, Venom, Nova, and many more.

After setting the bar for arcade-inspired beat ‘em ups with the acclaimed, multimillion-selling hit *Teenage Mutant Ninja Turtles: Shredder’s Revenge*, Dotemu and Tribute Games modernize the timeless fun of brawlers with exciting tag-team fighting and a multi-era celebration of the most iconic comic book universe in *MARVEL Cosmic Invasion*.

"MARVEL Cosmic Invasion celebrates a universe that has enthralled our team since childhood. The immense honor of bringing this incredible gallery of characters to life also marks the beginning of a new era for Dotemu, as we collaborate with the world's most prestigious entertainment licenses," says Cyrille Imbert, CEO of Dotemu.

Haluk Mentès, Head of MARVEL Games, comments:

"At Marvel Games we feel privileged to make games that we ourselves want to play. Our whole team are huge fans of Tribute and Dotemu’s work, so it was inevitable that we’d assemble with them to bring players the ultimate Marvel Beat ‘em Up, MARVEL Cosmic Invasion - a game we can’t wait for players to dig into!"
