

FOCUS ENTERTAINMENT PUBLISHING

Takes the 5th Position in Metacritic's 2024 Global Game Publisher Rankings

PARIS, FRANCE – March 6, 2025 – Focus Entertainment Publishing, a subsidiary of PULLUP Entertainment Group (**FR0012419307 - ALPUL**) is proud to have been ranked as the fifth best video game publisher worldwide for the year 2024 by the renowned review aggregator Metacritic*. This ranking underscores the relevance of its editorial strategy.

This Top 5, which includes Sony, Aksys Games, Capcom, and Sega, highlights Focus Entertainment Publishing's commitment, alongside its partners, to delivering a strong and consistent editorial vision as well as high-quality titles.

Over the past year, the company has demonstrated a strong dedication to identifying and supporting talented creative teams, enabling them to develop the best possible versions of their most iconic projects.

**The Metacritic website is the reference in aggregators of reviews and ratings of movies, TV series, music albums, and of course video games. At the beginning of each year, the site unveils a ranking of the top 50 video game publishers with the highest scores over the past year. Appearing in this ranking is synonymous with quality and reflects the creative talent of publishers and their developers to offer unique gaming experiences.*
